

Capability Statement

Magnus Practice Facilitation, LLC

Practice Transformation | Quality Improvement | Consulting | Technical Assistance

Magnus Practice Facilitation, LLC is a healthcare consulting firm specializing in practice facilitation, quality improvement, and clinical practice transformation. We partner with medical practices, health plans, and healthcare organizations to strengthen patient care delivery, improve performance, and build sustainable internal capacity to meet program and healthcare quality requirements. Our work mobilizes the right expertise, tools, and strategies to support measurable clinical quality improvement and effective program implementation.

Magnus Practice Facilitation operates as a woman-owned and minority-owned business, delivering scalable solutions that support improved outcomes, regulatory compliance, and sustainable performance across diverse healthcare settings.

What Sets Magnus Practice Facilitation Apart

- Hands-on practice facilitation experience with measurable improvements in clinical quality (HEDIS, CMS, CAHPS).
- Performance-based coaching tailored to meet practice size.
- Integrated support model combining technical assistance with quality coaching.
- Client-centered approach with scalable solutions for diverse healthcare organizations.
- Health plan program experience, including CMS Transforming Clinical Practice Initiative (TCPI), LA Care Health Plan's Transform LA and MeasureUp D-SNP initiative programs and UCSF CHARMED Study SMBP.
- Academic detailing to engage staff, providers and influence evidence-based practice.
- Deep understanding of under served populations and equity-focused program delivery.
- Founder brings 20+ years in quality, performance improvement, and risk management leadership experience.
